

Pontoon-style boats are one of the fastest-growing market segments in recreational boat sales today.

Their rapid growth is not surprising. Pontoon boats offer amazing utility for recreational boaters and a price tag that's difficult to beat.

In recognition of this, Travelers has created a special Pontoon Boat Endorsement, offering coverages for the unique features of pontoon and tritoon boats. These added coverages include:

- **Pontoon Replacement Coverage** – If a pontoon is punctured, creased, holed or dented, it will be replaced with a new pontoon.
- **Waiver of Depreciation** – On protective covers, cushions, carpeting and upholstery.
- **Coverage for** – Damage caused by vermin and marine life.
- The Travelers Pontoon Boat Endorsement is available for pontoon and tritoon boats no more than 10 years of age at the time the policy is purchased.
- Rental reimbursement up to \$1,000 per occurrence.
- There is no additional premium for these coverages.

Travelers Boat policies provide Mechanical Breakdown Coverage for eligible watercrafts. This is an important feature to have, as a boat engine represents a significant portion of a boat's overall purchase price and valuation.

With Travelers Agreed Value boat policies, there is no depreciation or deductible applied to the loss payment in the event of a total loss to the boat and engine.*

The coverages will be endorsed to the policy at the time of policy issuance.

* Personal Property losses are subject to depreciation and to the deductible shown on the declarations page.

To request the Travelers specialized pontoon boat coverages, contact a Travelers marine services specialist or boat underwriter.
